22. Is subject good for deeply covert work or only semi-covert?
Deeply covert
23. How would you classify subject with respect to penetration?
(a) High level (b) Low level

High level

REMARKS: This man claims to have had an organization of some 2000 persons (both agents and police) working for him prior to World War II. This large organization was built up specifically by him to combat the U.S.S.R. Subject maintained a sizeable group of agents in Moscow. It is believed that this man, in time, will be able to operate his own chain, independently of []
